

Everyone's
coming to
Grant Park
this summer.

Unfortunately,
they're all going
to leave at the
same time.

As more people discover everything the area in and around Grant Park has to offer—concerts, the Jazz Festival, *Les Miserables*, the Art Institute and more—traffic gets slower and more crowded.

We offer a simple solution: arrive early, park in our garage, check in, and take a brief stroll to your favorite event. Afterwards, stroll back, spend a relaxing night here, and enjoy a free continental breakfast before you drive home.
